A--Held with Stock Agent

B--Held with Bureau of Collateral Securities

\*\*Bell Atlantic and GTE merged on June 30, 2000, to become Verizon Communications.

\*\*AT&T has 637 shares held by the Agent.

\*\*US West merged with QWEST and certificates were exchanged July 17, 2000. Certificates are now with Agent.

\*\*Agere Systems was added in 2002. It is a spin-off from Lucent Technologies. See Agere Attachment.

\*\*AWE is a spin-off from AT&T. July 2001---no dividends are being paid.

\*\*MEDCO is a spin-off of MERCK---August 2003.

\*\*AWE---AT&T WIRELESS---purchased by Cingular Wireless in February 2004. We received \$15/share for the 1024 shares that we held. We will not hold stock in Cingular Wireless from the merger of these two companies.

\*\*AT&T had an exchange of our 2280 shares back in June 2004. We were issued 456 shares from the exchange, but AT&T sold 7 of our shares so now we have 449 shares that are being held by AT&T. The 7 shares were sold to cover the processing fee and surety bond ( $7 * 15.0251 = 105.18$ ). AT&T took \$100 for the fees and sent us a check for \$5.18 for the difference. We deposited these funds into Peebles Memorial Scholarship fund on September 10, 2004. There are also 181 shares for a total of 630.

\*\*Qwest ---we have 1078 shares. This company now pays dividends--JUL. 2008

\*\* On January 31, 2005, SBC Communications, Inc., announced its agreement to acquire AT&T Corp., which was completed on November 18, 2005. SBC changed its name to AT&T, Inc. Each share of old AT&T common stock was converted into 0.77942 of a share of the new AT&T common stock. Former old AT&T stockholders will receive cash in lieu for any fractional shares. The shares we had of SBC are still valid and we will keep those and receive dividends based on the price of the new AT&T stock.

\*\*\*\*IDEARC is a spin-off of Verizon. For every 20 shares of Verizon, shareholders received 1 share of IDEARC, for a total of 106 shares.
